Programme Notes

It will never be the same (language) is inspired Pooja's "The Inadequate vocabulary I learnt from Enid Blyton, Ted Hughes and Jane Austen". The idea 'of being exotic' is ironically taken to create *the 'new-age phenomenon with a soft tabla soundscape'*. I have not taken to setting the exact words, but 'soundscapes,' as the above line has suggested. However, the powerful opening lines had to be included:

You are expecting
