

AVE MARIA
For SSSAA, a cappella

Darius Lim

About The Work

This work is dedicated to my good friend, Catherine Tan - a friend who has inspired me to live life to the fullest and appreciate the beauty all around.

During the strange and trying times of the 2020 Covid-19 Pandemic, this period inspired to me write about the tenacity of the human spirit. The work set to the sacred text of "Ave Maria" or "Hail Mary" presents a reflective and prayerful call for hope and harmony in the world - and in oneself.

This work is part of "Towards A Better World Project" by Voices of Singapore.

About Towards A Better World Project

Towards A Better World Project is an initiative by choral organisation the Voices of Singapore. It presents a series of thought provoking music videos and concerts that hope to bring hope to listeners, restart music making around the world, and address global issues through the performances of different VOS choirs - all recorded at the historic Pasir Panjang Power Station.

As part of VOS' support and contribution towards the restarting of choral singing around the globe, the World Premieres of 3 new choral works written by VOS Artistic Director & Composer-Conductor Darius Lim will be released in 2021 - 2022 for free use by all choirs until 2024.

About Voices of Singapore Ladies Choir
