# Desaku

A children's song from Indonesia, the lyrics are like a kind of "love letter" from someone who has gone long from their hometown or village. While the SA arrangement of this song is somewhat more cheerful, playful and child-like; the arranger incorporates more elements of nostalgia into the SSA arrangement with the little bits of Javanese ornamentation on the accompaniment.

## Original Text

Desaku yang kucinta, pujaan hatiku

Tempat ayah dan bunda, dan handai taulanku

Tak mudah kulupakan, tak mudah bercerai

Selalu kurindukan, desaku yang permai

## English Translation

My beloved village, which my heart adored

Where my parents and families belonged

I'll never forget it, nor be separated from it

I always miss you, my beautiful village
